APPROBATION	

#### Description

TEROSON® PU 92 is a gun-grade, 1-part, adhesive/sealant based on polyurethane, which cures by reaction with moisture to an elastic product.

#### Avantages

Good Adhesion to many metals and plastics without primer - can be applied wet on wet  
No solvent  
High curing speed  
Excellent elasticity  
Good ageing resistance  
Can be grinded  
Used for elastic sealing and bonding, particularly seam sealing and sealing of narrow joints, in vehicle and vehicle body manufacture, vehicle body build-ups, railway carriage and container manufacture, ship and boat building, metal, facade and plant manufacture, as well as air conditioning and air ventilation

#### Caractéristiques

White, gun-grade, 1-part, adhesive/sealant based on polyurethane, which cures by reaction with moisture to an elastic product.
