Description

TEROSON® WX 180 POLISH is a light blue, solvent-based liquid paint renovator with a special combination of hard waxes (carnauba wax), high-gloss flow- and polishing agents. It is especially useful for renovating the paintwork of used cars where the paint has suffered medium to severe weathering. It cleans, polishes and protects car paintwork in one operation.

Avantages

Can be used after a car wash by using a wet sponge. Slightly useful for renovating the paintwork of used cars where the paint has suffered medium to severe weathering. Cleans, polishes and protects car paintwork in one operation. Removes dirt which cannot be removed by thorough washing. Dissolves tar splashes, removes oil and insect residues. Also removes small particles of surface rust.

Caractéristiques

Light blue, solvent-based liquid paint renovator with a special combination of hard waxes (carnauba wax), high-gloss flow- and polishing agents.
